

# Fund Raising your way to Europe

As you prepare for this exciting trip here are several ways you can help yourself obtain some of the funds needed to make this trip possible.

- **Sponsor-a-Student**

We will kick this off before summer recess, and this allows friends, family, community members, etc. to directly support individual students. \*We have alumni and alumni parents ready and willing to participate!

- **SMB Cookie Dough Sales**

We're hoping to run two (2) sales next year!

- **Advertisement Sales**

Advertisements will be printed in a supplement to our concert programs beginning this spring! Students will be given an advertisement informational packet the end of April. Possible Profit: \$25 from a \$30 ¼ page Ad, \$40 from a \$50 ½ page Ad, and \$80 from a \$100 full page Ad.

- **Community "gigs" in Saratoga**

Businesses are interested in having student performers and allowing students to collect on site for the tour costs.

- **Planet Juice Gift Cards**

Possible Profit: For every \$10.00 card sold you will receive 25% of that card's value. Over the course of the year this adds up!

- **Starbuck's Gift Cards**

Possible Profit: For every \$10.00 card sold you will receive 7% of that card's value.

- **Dollar Candy Bars Sales**

In the fall and in the spring students can sell \$1.00 candy bars. There are 52 bars in each box. Possible Profit: 50 cents for each candy bar sold.

SMB and the SHS Music Department are very excited about this trip. We realize this is a tremendous financial demand upon you and want to help out by offering these fund raising campaigns. If you would like to explore other fundraising opportunities and take up the leadership role for a particular fund raising campaign please contact the music department staff first and we will see what needs to be done. Together we can make this happen for our students!
