A few reminders...

- ◆ This performance is a great opportunity to listen to and interact with another high school ensemble. Because of Lynbrook's close proximity to SHS, we're hoping you get to meet a few new friends through the experience. Remember that we are hosts for the evening; please be great ambassadors for SHS and put on your best behavior for our guests.
- ◆ At dinner, sit with students from Lynbrook and chat. This is the whole idea for the exchange! Next year, we are hoping to visit them at their school.
- ◆ Dinner is being organized and served by a team of wonderful parent volunteers. Please be sure to say "thank you" and let them know how much you appreciate their help.
- ◆ SHS will store cases and instruments in the pit; LHS will store their cases backstage. Our SB managers will help answer your questions and you remind of storage and meeting areas.
