

Music Department 2009 European Tour - Advertisement Sales

The Saratoga High School Music Department will be traveling to Europe July 6 – July 20, 2009. Students from the Band, Orchestra and Choir will be traveling to the beautiful countries of Austria, Germany and Switzerland. While in Europe the students will have the opportunity to perform in several special performance venues including the Jungfrau Festival and the famed Vienna International Youth and Music Festival. To help cover the costs of this exciting trip the students are selling “Advertisements” to merchants, families and supporters throughout our community. These advertisements will appear in a professionally printed supplement to every music department printed program throughout the school year. A portion of the money of each ad sold by a student will go directly into their Saratoga Music Boosters Travel account.

Submission date for ad in the fall program no later than October 30, 2008

Submission date for an ad in the winter program no later than November 15, 2008

Submission date for an ad in the spring Program no later than April 12, 2009

Price per ad:

¼ page - \$50.00

½ page - \$100.00

Full page - \$200.00

Inside cover (front or back) - \$300.00

Outside back cover - \$500.00

The benefit of buying an Ad is two-fold. The most obvious reason, your advertisement will be in the hands of literally thousands of people who live and shop throughout this county. However, an even more important reason to take out an ad is that when you participate in a positive supportive program such as this, you are saying that you care about the programs here at Saratoga High School and are showing how important the arts are in every student’s life.

The student representative will show you samples of the ads that would best fit your needs. They will give you a tax-deductible receipt for your ad.

Parents! Family Members! Friends! We encourage you to take out an ad. The possibilities are endless. All we need is your business card or personal message that you would like to express sent to us via email in a jpeg file or PDF to jyowell@lgsuhd.org. Rest assured your money is well spent and greatly appreciated. You have done your part to show your support of a positive creative event and given a generous hand by helping these deserving students experience a memory that will last a life time.

On behalf of all the music instructors at SHS and these deserving students we thank you for your help and support.

Sincerely,

Jim Yowell – SHS Choral Director
