6:45pm Electives Program Begins:
 There are a number of presentations taking place on the apron of
 the stage prior to SSO and SWE. The curtain will rise when it is
 our turn to present. As soon as your performance has concluded
 you are dismissed! Everyone should be concluded no later than
 7:20pm.

7:20pm Managers/Leadership Applicants please report to the small gym to help
 with recruiting tables: distribute information, collect info cards, answer
 questions of incoming students/parents, etc.

*Electives Night is a very exciting evening for incoming students. This evening represents the first step of high school life, often a welcomed change for middle school students. Your participation and positive treatment of our incoming students is very important and meaningful, as often you are their first contact with SHS!
