2007-2008 Membership & Volunteer Form

The Saratoga Music Boosters (SMB) supports the elementary, middle school, and high school orchestra and band programs, as well as the middle school and high school choir and color guard programs. Some of the expenses SMB covers include sheet music, instrument purchases and repairs, music awards, and insurance. In order to encourage music participation at the lower levels, SMB subsidizes the Beginning Band and Beginning Orchestra Programs at the elementary school level. In the last three years, SMB purchased over \$179,000 of music, instruments, music software and sound equipment for the Redwood and Saratoga Music Programs.
