

## Saratoga Music Boosters 2007-2008 Parent Volunteer Opportunities

The Saratoga Music Boosters (SMB) supports the elementary, middle and high school orchestra and band and the middle and high school color guard and choir programs. SMB is fully volunteer based and the many fun opportunities are listed below. Play a role in your student's music education by signing up now! Please select areas of interest to you and return form to the SMB box in the SHS or RMS office, or mail to Saratoga High School SMB, 20300 Herriman Avenue, Saratoga, CA 95070. Please return as soon as possible (but it's never too late to volunteer!)
